Brand New Book ***** Print on Demand *****.You will obey my every command when I come to you later . I will possess you again; you will be mine and only mine. It must be tonight . These words inspired the story and they do hold an element of truth. The story is my fantasy about meeting a rapist after the event! It was not the easiest thing to write and I did begin by writing the rape scene as a Police report, but it felt so impersonal, cold and calculating. Yes, that is how many people see rape, but it is a personal and mind numbing experience and every person who goes through it have his or her own ways of dealing with it.
