Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Disgraced ex-cop Rocket Malone makes a living collecting the memories of the rich. How does he do it? Simple. He cracks open their skulls and yanks out the implanted hardware. It pays the bills. At least, it would if he wasn't swimming in gambling debts. Called to the scene of a grisly murder, Rocket runs into a small problem. His client's head is missing, along with the memories it contains. A beautiful woman, a mysterious foreigner, and an eccentric billionaire all believe Rocket can find the missing memories, and each is willing to pay dearly for the information. Finding this dead man's memories just might be the solution to Rocket's problems. And if Rocket can't find the missing head in time? The people who've hired him aren't the sort who take no for an answer.
