But if you don't have rapport with each and every one of your team members, you're not going to end up where you want to go, which is why Luke Lee Tet wrote this workbook-so you can arrive at your desired destination. As a former softball player for Australia who won a gold medal and now as a coach of junior softball, he knows how to win. In plain language, he delivers strategies and insights that will help you: understand different ways people around you learn; cultivate the skills that effective leaders have in common; follow seven steps of active listening; promote a winning culture. What you learn about yourself and those around will do much more than enhance your leadership skills. You'll be equipped to live a more fulfilling life with Core, Communication, Leadership.
