Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.As we travel along the road of life, steering around the pot holes and trying to avoid the bumps, we sometimes find ourselves somewhere that we never intended to go. Sometimes we wander into what looks every bit like a dead end. Meet John Coffee who once upon a time headed off on the road to the American Dream only to find himself in the middle of a nightmare. He is a man at the end of his rope until he wanders into Baret Park and meets Charlie. Charlie, the old man that for forty years made that park his home. He knows a thing or two about nightmares, failure, wishing wells and dead ends. Old dogs may not be able to learn new tricks, but an old man like Charlie, well that is a different story. Meet June, John s wife, and her best friend, the world wise Helen, they are as different as night and day and best friends forever. Sometimes the obvious is not so obvious when your glasses are fogged over with the color of your own life. Spend a few hours laughing, crying and just plain feeling good. Spend a few hours discovering the secret of Spit Shine.
