

National Geographic Our World: A Child's First Picture Atlas (Hardback)

By National Geographic Society

National Geographic Kids, United Kingdom, 2006. Hardback. Book Condition: New. Updated ed.. 350 x 264 mm. Language: English . Brand New Book. The National Geographic Society's world-renowned cartographers are proud to present a state-of-the-art world atlas for children ages 3 to 6. This updated edition of the award-winning National Geographic Our World: A Child's First Picture Atlas uses a puzzle-piece motif to introduce children to maps and geography and is the result of careful collaboration with experts in early childhood education. This big, boldly illustrated atlas invites young adventurers to explore the world's places, people, and animals. Lively text, pictures, and interactive activities make it easy and fun for kids to learn about and understand their world. In today's interconnected world, kids hear different languages, see different types of clothing, and eat food from different countries every day. Toys, televisions, and clothing all have labels saying where they were made. Children's natural curiosity will demand they know where these places are, who lives there, and what kind of things they do. This bright, beautiful atlas, chock-full of fun facts, ensures that even the youngest kids have the learning tools they need to find the answers...

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Natalie Abbott**

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
