How she got there and why, remain unanswered questions to her at first - until she meets Leon, who also comes from her world, but has been lost in Falaysia for many years. Through him, she learns that her aunt Melina and the wizard Demeon are responsible for their predicament and that they are both part of a dangerous game, they yet need to understand. Although Jenna and Leon feel uneasy about each other, they decide to get it together and try to find the way through the countries of Falaysia back home jointly. This is far from being child's play to them, because it seems as if a war is breaking out in Falaysia. A man who soon threatens Jenna's life as well, but still fascinates her in a strange way.
