Createspace, United States, 2014. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.I have to be the best. I am the best. I m quick. I m strong. I m smart. I m the star keeper of my high school soccer team, and I ve got major leagues scouting me. As their captain, my teammates will do anything I say - on or off the field. Girls practically beg to be added to my list of conquests. As long as I manage to go pro for the best team in the world, I won t have to worry about my father s wrath. I m Thomas Malone, and I ve seen to it that the world revolves around me. There s a new girl at school, and it s just a matter of time before she gives in to my charm. This one s just a little more stubborn than most - she won t even tell me her name! She s smart, too. Maybe too smart. I can t let her in. I can t let anybody in. I m not too worried, but even I have to admit she s interfering with my focus on the goal. Dad s not going to be happy about that. Did I mention I love Shakespeare? Yeah, I know. I m a walking contradiction. According to the Bard - some are born great, some achieve greatness, and some have greatness thrust upon them. Somehow, I got all three. Now how is anyone supposed to live up to that?.
