I have enough to worry about with my dad showing up after two years of saving Africa from typhoid, ready to resuscitate our relationship. There s something he s not telling me. I know it. And now I ve been assigned to work with Gusty in a hideous new project the faculty are torturing us with at school. It s so wonderful to explore yourself with someone who s always thinking you re sick. I d probably be a lot better off if I weren t psychic after all . . . If you ever thought reading people s minds would make it easier to understand them, Amy Kathleen Ryan is here to tell you that you re dead wrong.
