Austin Macauley Publishers. Paperback. Book Condition: new. BRAND NEW, Behaving Disgracefully, Roni Walkar, Ellen Margaret Brunelle thought jokes should be banned - jokes about paedophiles that is. She often thought how terrible it must be to be a kid who was being abused and to hear the whole world laughing at them. It was worse than the very worst virus - child abuse - and the damage spread just as quickly. Teenage Ellen knew that Myra Hindley had been treated worse than an animal when she was a child. And although she knew that there was no excuse whatsoever for that woman's vile behaviour, she also knew how Myra's childhood and how she eventually turned out as an adult proved just how easily a young mind could be savaged. She was very much aware of all the websites that existed - websites that were blatantly encouraging lewd and depraved behaviour. Not only were innocent children being abused, but babies were actually being sexualised from birth. It was horrendous. It was all so terribly and despicably wrong in Ellen's eyes - and not enough was being done to stop it. But it seemed like people didn't want to know, or want to read, or want to hear about it - sometimes even when it was happening under their own roofs - sometimes even to their own children. There were those who didn't want to upset the apple cart by facing up to it, those who didn't want their apparently perfect lives ruined by divulging such atrocities going on under their own roofs. In Miss Brunelle's eyes those types were almost as bad as the abuser - those who covered up, those who refused to listen, those who refused to believe, and those who let it continue. But then there was the other...
