*****.The sole purpose of this book is to have lead sheets, chords sheets for string instruments and a melody page that can be used for power point presentations and over head projectors, allowing the congregation to sing along with the musicians, all in one source. This book contains 48 Messianic Praise and Worship hymes and each hyme is divided into four parts, one song per section, starting with the lead sheet. Next is the chord page, followed by a lyric page in poetic form with visuals that may be scanned for power point presentations or used in your overhead projector for the congregation to sing along with. There is transposition paper at the end of each section and a chart at the end of the book to help you transpose arrangements into the key of your choice.
