

Learning to Apply: Book Five

By Quince Duncan

Palibrio. Paperback. Book Condition: New. Paperback. 148 pages. Dimensions: 11.0in. x 8.2in. x 0.3in. Book Five of the Learning to Apply Series, is a consolidated version of two former manuals, titled Fieldworks (Duncan, 2010) and Applying Research (Duncan, 2010), used in 10th and 11th grades at West College High School. This reform, at the suggestion of Director Cynthia Delgado, is consistent with the fact that the undergraduate paper that Wests students prepare is developed precisely over these two academic years as a single project. During level ten-eleven, students consolidate their capacity for self-education -learning how to learn, learning how to comprehend the subjects studied, and learning how to apply the knowledge acquired when faced with todays challenging and changing reality, thereby achieving the final aim of the Series. Students will design and develop an undergraduate report, (tesina in Spanish) which is the final research-report that they are expected to present as part of their graduation process. The tesina is basically an individual study that each student carries out to demonstrate his capacity to formulate a problem, confront it with a basic theoretical framework, using proper methodology and adequate techniques required to close this stage of his academic experience. The course...
