CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 278 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. On December 21, 1980, the author, a morally insane, drug-addicted surgeon hit bottom. Guilty of fraudulent research, he finds himself reduced to a terrified non-entity in a barred bedlam oiled by a system bent on destroying the things that once defined human beings. There, he endures the angst of withdrawal and the savage revenge of a fellow con that had once been the target of the doctors ignorant, racist tongue. Prison, however, turns out to be less a punishment than a restorative sanctuary, for there, guided by a notorious Black Panther and a wise rabbi, he confronts a soul overburdened with contemptible sin. Set free by the truth, he becomes humanized and ultimately rejoices in the glory of redemption and resurrection. Interjected between the prison scenes, the author recounts the intimate details that spawned a personality destined for tragedy. He speaks of a childhood spent in a house of horrors, of an adolescence spent slaving in a sweatbox of a bakery, of an obtuse alcoholic father, and an abusive perfunctory mother who, with every other breath, cleverly brainwashes him into presuming he wants to become a doctor. Ill-prepared for college, he resorts to drugs and duplicity in order to propel himself to the top of his class and through the doors of the Kafkaesque training grounds of medicine. His malignant idiosyncrasies carry over into his private practice, causing it to turn into a chaos, which, thanks to a profession gripped by a conspiracy of silence, is allowed to endure for almost a decade. It was not until he cripples a myriad of lives including those closest to him that his scalp is finally taken out of his trembling hands. In...
