

The Movement of Stars (Paperback)

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

(Prof. Loyce Runolfsson Jr.)

THE MOVEMENT OF STARS (PAPERBACK)

Penguin Books Ltd, United Kingdom, 2013. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. Amy Brill s The Movement of Stars tells a story of illicit love and extraordinary ambition. It is 1845, and Hannah Gardner Price dreams of a world infinitely larger than the small Quaker community where she has lived all 25 years of her life - for, as an amateur astronomer, she secretly hopes to discover a comet and win the King of Denmark s prize for doing so. But she can only indulge her passion for astronomy as long as the men in her life - her father, brother and family friends - are prepared to support it, and so she treads a fine line between pursuing her dreams and submitting to the wishes and expectations of those around her. That line is crossed when Hannah meets Isaac Martin, a young black whaler from the Azores. Isaac, like Hannah herself, has ambitions beyond his station. Drawn to him despite their differences, Hannah agrees to tutor him in the art of navigation. As their shared passion for the stars develops into something deeper, however, Hannah s standing in the community is called into question, and she has to choose: her dreams or her heart. Loosely inspired by the work of Maria Mitchell, the first American woman to become a professional astronomer, The Movement of Stars is, at its heart, a glorious - and unusual - love story. With shades of Chocolat and Remarkable Creatures, it will appeal to fans of Tracy Chevalier, Joanne Harris and Rose Tremain. Blazes with real feeling and intensity. A terrifically poised and captivating debut . (Paula McLain, author of The Paris Wife). Spectacular.I cheered for Hannah Price, our feisty heroine, as she unraveled the mystery...
